

# Recycling Week

## 2025

22-28 September

Prizes for the winners  
of; KS1, KS2 and  
EYFS.

# COMPETITION!

Can you give a used piece of rubbish a life-like personality?

This year we are hosting a competition to support the '**Rescue me! Recycle!**' campaign.

To be in with a chance of winning a prize, pupils will need to rescue a household rubbish item such as a cereal box or spray bottle and turn it into the most imaginative creation brimming with personality.

Our aim is to help students realise there is much more that can be recycled as first thought.

Entries must be made and photographic evidence of the item and the child together sent into Mrs Solway by the 28th September.
