

Homework - Year 2

Maths

Given: 06.10.25

Due: 13.10.25

This week's learning:

Arithmetic:

$1 + 4 =$

$3 + 3 =$

$4 + 1 =$

$6 + 0 =$

$2 + 4 =$

$3 + 2 =$

$5 + 1 =$

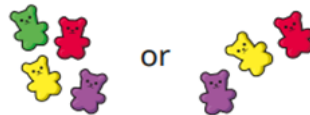

$0 + 6 =$

$3 + 3 =$

$2 + 3 =$

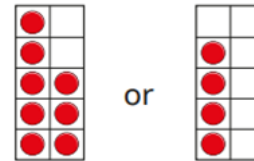

Which picture shows more? Circle your answers.

a)

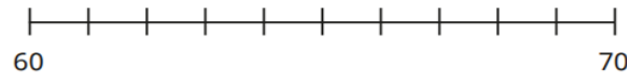

or

d)

or

a) Label 68, 61 and 64 on the number line.

b) Write the numbers 68, 61 and 64 in order.

Start with the greatest number.

<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------

c) Write the numbers in order.

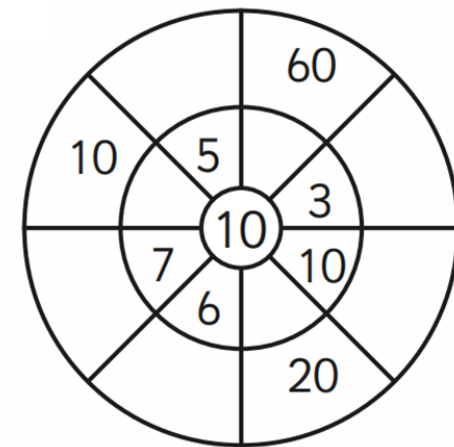

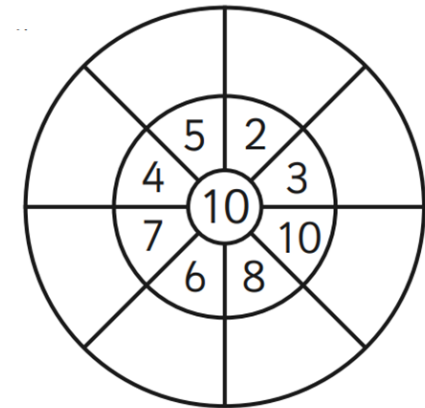

Start with the smallest number.

31 42 29 36 9

<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------	----------------------	----------------------

How did you order the numbers?

Practise makes perfect:

Homework - Year 2

English

Given: 06.10.25

Due: 13.10.25

SPAG:

Read the text and answer these questions:

1. How many letters are there? ____
2. How many capital letters are there? ____
3. How many words are there? ____
4. How many sentences? ____

Aisha and Mohan are reading books. The library is in London.

Add either ? or ! to complete these sentences.

How lovely it is to see you

Where have you been

When are you going on holiday

Ben Gets Lost

Ben and his dad were shopping on the busy high street. "Hold on tight to my hand," said Dad. Ben stopped to look at some toys in a shop window and let go of Dad's hand. He got a shock when he looked up. Ben couldn't see Dad anywhere!

Ben felt very worried and didn't know what to do. Then, he remembered Dad telling him to look for people in uniforms if you are lost. He saw a lollipop person and asked for help.

The lollipop person was very kind and helped Ben find a friendly police officer. The police officer told Ben not to worry. "We will find your dad," she said.

Questions

1. What did Ben stop to look at?

2. Find and copy **two** adjectives used to describe the people who help Ben?

3. Number these sentences from 1-4 to show the order they happened in the story. The first one has been done for you.
 A police officer helps Ben.
 Ben loses Dad.
 Ben asks a lollipop person for help.
 1 Ben and his dad go shopping.
4. How do you think the story will end?
