Dear Parents and Carers,

Years 2, 3 & 4 Pre-Loved Toy Sale- Thursday 9th October

The children in Years 2, 3 & 4 have been thinking about ways in which we can raise money for our school, as well as promoting eco-sustainability through recycling efforts within our school community. We have therefore decided that we will hold a toy sale where children will be able to donate toys that they may no longer use, as well as purchase new toys.

The toy sale will be held specifically for our Year 2, Year 3, and Year 4 students, with items priced at 50p and £1. The sale will commence on Thursday 9th October and will be held in the school hall during playtimes. The sale will also take place in the school playground after school on the 9th October, where other children will also have the option to buy any items.

This initiative not only provides an opportunity for our children to contribute to our playground development but also instils in them a sense of responsibility towards their environment and community.

The funds generated from this sale will directly support the purchase of new playground equipment, ensuring that our children have access to safe and enjoyable outdoor play.

We kindly request your support in encouraging your child to participate in this valuable initiative. Contributions, whether through donating or purchasing items, will significantly help us with our efforts.

If you would like to donate any toys for the sale, please could these be sent to school between Monday 29th September and Wednesday 8th October. Please could any toys or teddy bears donated, be clean and in good condition.

Thank you for your continued support and dedication to our school community.

Kind Regards,

Year 2, 3 & 4 Staff Team

†*In your light shall we see light*
