

Dear Parents/Carers,

Bike Right will soon be coming to your child's school to run a Bikeability Level 1/2 Combined course.

What is Bikeability Level 1/2 Combined?

Bikeability is the government's national cycle training programme. Pupils take part in small groups for one day and train with our qualified instructors on a 1:3 ratio. **There is no cost to take part.**

Level 1 is a playground-based session to start the day, practicing and building confidence in key cycle control skills in a traffic-free setting. This session lasts approximately one hour. Pupils who are ready will then progress on to quiet roads near to school for the rest of the day. Level 2 will introduce them to cycling as an everyday, fun, healthy activity and an alternative mode of transport. If you would like to see what activities Level 2 will include, you can visit <https://www.bikeability.org.uk/get-cycling/cycle-training-for-children/bikeability-level-2/>

What will my child need?

- **The ability to ride a cycle unaided.** This can be a two-wheeled bike with no stabilisers or an adapted cycle.
- **A signed consent form.** Please complete on the next page and return to school at least one week before the first day of the course.
- **A cycle helmet.**
- **Appropriate clothing.** It is important, especially during the cooler months, that children wear gloves and warm, dry clothing as they will be outside all day. We recommend wearing a waterproof!
- **A road worthy cycle.** Please follow the simple guide below to check whether your child's cycle is suitable. See law on the use of e-bikes www.gov.uk/electric-bike-rules

Please note that children cannot take part if their bikes are considered unsafe.

Bikeability is for all! If your child requires any reasonable adjustments to take part in their school's Bikeability session, please just let us know! You can either speak to your school contact who is arranging the training or get in touch with Bike Right directly on the contact details below.

Bike Right

Unit 1, Cortress House, Julia St, Cheetham Hill, Manchester, M3 1DQ. Tel: 0161 230 7007

Terms and Conditions for school cycle training

Parent / Carer please read carefully. If you agree, please sign the consent form.

- This consent form **MUST** be signed by the child's parent / carer
- All trainees **MUST** wear an approved cycle helmet while undertaking the training and the supplied high-visibility waistcoat
- The instructor will determine if the trainee is able to control their cycle sufficiently well to take part in the training
- Training takes place initially in the school playground. If the trainees have reached the required standard, they will then be taken out onto local roads for further on road training
- Training will cover all aspects of safer cycling, including recommended procedures for starting, stopping, turning left and right, developing skills and basic strategies for dealing with traffic
- I agree that the instructor(s) can adjust my child's cycle if necessary
- I am responsible for providing my child with suitable clothing for cycling

I have read, understood and agree to the Terms and Conditions above.
