Swimming

6S have had a fabulous intensive week of swimming! It's been tough at times, but very rewarding!

Despite the exhaustion, pupils have done extremely well and we are very proud of them.

They finished the week off with a water polo tournament.

We are pleased to announce that over 8000 schools use Arbor for attendance and St Pauls have been advised that we are in the top 25% that have good attendance.

May we thank parents and carers for their continued support in recognising the importance of good attendance and helping to keep their children in school.

Why do we have rainbows?

Dear Parents and Carers,

We have been thinking about big questions in worship and our classes.

Big questions are often the questions that we ask that don't have an easy answer:

What colour is happiness?

Is being a good friend easy?

Does more mean happier?

As a school we encourage children to think about questions daily. We think about our learning, we think about feelings, we think about God, we think an awful lot!

We want to encourage our children at St Pauls...

to think beyond the obvious.

to think of as many possibilities as they can, before deciding upon the best or most appropriate answer.

To increase their understanding of a topic

To promote critical thinking

To encourage children to articulate their thoughts

Have the confidence to debate and discuss with others

To enjoy discussion while appreciating others contributions and ideas

Each month we will be sending a special Big Question home with the children to hopefully encourage the children to practice chatting with you at home and hearing different points of view and opinions.

We will then chat to the children in school about the question too, recording thoughts and feelings in our journals.

We find that the pupils really enjoy this chance to talk/share/think /debate and using their reasoning skills.

Above all, it helps them to learn to 'think outside of the box' and see 'the bigger picture' while appreciating others opinions.

We look forward to hearing your child's thoughts about our big questions.

June:

Kind Regards,

Mrs Vautier-Thomas
