SCHOOL NEWS

This week, the Reception pupils have thoroughly enjoyed playing with our four new sand tables and large water run.

The children have been exploring their current Maths topic of capacity through hands-on experimentation with the sand and water equipment.

They have delighted in measuring, pouring, and comparing the volumes of various containers.

We are so proud of all of our children that volunteered to sell poppies.

Their hard work and dedication was recognised and rewarded by being invited to a thank you event with the Mayor at the Town Hall on Thursday 23rd January. They enjoyed a tour of the Mayor's parlour and civic museum and were presented with a certificate. Well done!

Thank you also to Mrs Bolt one of the parents here at school for supporting the children with this.

This week some of our ECO Council members from Years 4, 5 and 6 worked with Mrs Solway to meet with Rosie from 'Let's Go Zero' to discuss our Climate Action Plan for the school. We got to try out some exciting equipment such as heat guns, and light readers to see where we are using too much energy around the school. We can't wait to start some of our projects this year, including; recycling our milk lids, batteries, and crisp packets, and visiting EnviroSort later this term to learn all about how we separate our rubbish.

'We had lots of fun looking at ourselves through the Temperature gun!'

Mrs Solway and her fabulous ECO Council team!

Reading Fair

Thursday 6th March 2025

To celebrate World Book Day on Thursday 6th March, we will be holding a Reading Fair for our children to enjoy during the school day.

Children will be invited to come to school dressed as their favourite book character or author and will have the opportunity to attend the Reading Fair playing games that are all reading and book themed.

We then use all money raised from the fair to buy new books for the children in classes and create fun and interactive reading areas such as our libraries and reading sheds.

In preparation for this years Reading Fair we would like to hold two wear your own clothes days:

Non-Uniform Day Friday 31st January

Come to school in your own clothes in exchange for a new or nearly new pre-loved children's book in good condition.

Donated books will be used as prizes for our book tombola.

Non-Uniform Day Friday 14th February

Come to school in your own clothes in exchange for a nearly new pre-loved cuddly toy in good condition.

Donated soft toys will be used as prizes in our teddy bears picnic game.

A flyer with the names and prices of games will be sent home closer to the event.
