## Christian Value: Courage

### Our School Vision

For with you is the Fountain of life; in your light we see light. (Psalm 36 vs 9)

February's Big Question: How big is the sky?

LUNCH ORDERS MUST BE PLACED BY NO LATER THAN TUESDAY AT MIDNIGHT FOR THE FOLLOWING WEEK'S REQUIREMENTS. NO ORDERS CAN BE TAKEN AFTER THIS TIME.

DON'T FORGET TO REGISTER FOR MILK WITH COOL MILK AT [www.coolmilk.co.uk](http://www.coolmilk.co.uk) IF YOU WISH YOUR CHILD TO RECEIVE MILK.

PLEASE REMEMBER WE ARE A **NUT FREE SCHOOL**. PLEASE SUPPORT US WITH THIS BY ENSURING YOU DO NOT SEND ANY PRODUCTS CONTAINING NUTS INCLUDING NUTELLA, NUTTY CEREAL BARS AND PEANUT BUTTER IN CHILDRENS LUNCH BOXES.

## Reception

## Enrichment Week

This week, our Reception class embarked on an exciting afternoon of role play, immersing themselves in various professions that sparked their imagination and creativity. The children transformed into doctors, restaurant staff, and firefighters, each taking on roles that allowed them to express themselves and collaborate with their peers. This vibrant play not only provided a fun-filled experience but also played a crucial role in their social, emotional, and cognitive development, aligning beautifully with the EYFS curriculum. Well done RT and RBW!

## Year One

"We made tambourines then we had a festival. Our favourite was the drums. Bym used rubbish/recycled materials to make musical instruments."

Our Music Day was a delightful experience filled with creativity and joy! We kicked off the day by crafting tambourines from paper plates and milk bottle tops, which sparked excitement among the children. Following this, we had a music workshop where everyone had the chance to explore different instruments and create their own unique rhythms. The highlight of the day was when the entire school came together for a grand procession, proudly showcasing our handmade musical instruments. It was a wonderful celebration of music, collaboration, and community spirit!

## Year Two

The children had the wonderful opportunity to explore various faiths to celebrate Multi-faith day which took place on Sunday 18th January this year. The children created informative posters about different religions, encouraging understanding and respect for the different beliefs that make up our community.

We visited React Gymnastics on Wednesday 14th January as part of our fabulous whole school Enrichment Week. The experience was incredibly enjoyable for all the students, as they had the opportunity to try out various activities, including the trampoline.

The children were enthusiastic and eager to explore the different gymnastics equipment. Many of them told us how much fun it was to bounce on the trampoline and attempt new skills. The instructors were wonderful and encouraged the children to challenge themselves, which contributed to a positive and engaging atmosphere.

Overall, the trip was a fantastic way to promote physical activity and teamwork among the students, and it certainly left them with lasting memories of their time at React Gymnastics.

Many thanks to the staff at the centre for providing us with such a memorable experience.

## Year Four

In Enrichment week, one of the activities in which the children were able to take part was fencing. In this session, fencing skills were taught and mastered by the children as well as learning about discipline and resilience. It was a really enjoyable session and the focus and determination displayed by the children was admirable. There are definitely some future Musketeers hidden at St. Paul's Primary School!

## Year Three

Please follow the link to our school calendar where you will find further information on: clubs, swimming, trips, events and term dates.

# Year Five

During their enrichment activity Year 5 have been revising their knowledge of the digestive system from Year 4. For the lesson, using a plastic bag as the stomach, orange juice as stomach acid and tights for the small and large intestines, they made their own digestive systems. It got a little messy but they had a great time!

During Enrichment Week, Year 6 enjoyed Scoot Fit, an exciting activity that combined fitness and fun! Riding scooters helped us practice balance and coordination while moving to lively music. Everyone laughed, learned new skills, and felt the joy of staying active in a creative way.

# Year Six

# Pioneer Centre

Last week our Year 5s were lucky enough to experience our annual residential trip to the Pioneer Centre in Shropshire! It was a jam-packed 3 days where children took part in a wide range of activities including: fencing, high ropes, climbing, inflatable challenge, campfire, abseiling, archery and the leap of faith. Year 5 were truly amazing taking part in every challenge and the staff who accompanied them were incredibly proud.
