## Welcome to St Paul's Reception

We are incredibly proud of our new Reception cohort, who have settled into school life beautifully.

It has been wonderful getting to know all our new children and watching friendships form as they adjust to their new routine.

Our topic this term is 'All About Me', where we will be getting to know each other, discussing our families, exploring our likes and dislikes, and learning to talk about the emotions we feel.

This month, we have been looking at the book *The Colour Monster* and have been using colours to help identify different emotions.

We have also started our exciting phonics journey—learning new sounds and bringing home reading books to share.

We warmly invite you to our Reception Parent Workshop on Tuesday 21st October at 2pm. This will be a lovely opportunity to have some fun with your child, enjoy arts and crafts together, and learn more about our phonics scheme and how you can support your child at home.

# Democracy Week

Democracy is an important value at our school. Pupils have the opportunity to have their voices heard through our School Council, Worship Council and Eco-Council. The elections of members of the councils are based on pupil votes. Each class elects two people to represent their views.

## Eco Council

This year the ECO Council will be focusing on recycling and fostering the culture of sustainability, through raising awareness and creating new initiatives.

We will be looking forward to our Christmas jumper swap, trips to our recycling centre, promoting walk-to-school and recycling week as well as tracking our food waste more closely.

We believe that instilling these values at a young age is essential for the future of our planet and we can't wait to see what this wonderful team achieve.

## School Council

Our School Council have lots of exciting plans for the year ahead. They will be supporting 3 charitable organisations through a variety of fundraising events. Not only will they be engaging in online video calls with our partner school New Rock in Uganda, but they will also be coming up with ideas to raise money for The Little Princess Trust, Macmillan and WWF.

They will also have the pleasure of organising our very popular school discos, helping to raise money for our school community to improve areas such as our libraries.

Together, they will make a meaningful impact on our school community and we look forward to seeing what they will get up to.

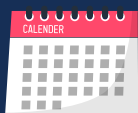

## Worship Council

We are keen to foster a rich spiritual environment here at St. Paul's and there is a lot of work for this council to get their teeth into.

In addition to regular meetings with the local vicar, one of the key areas of focus will be the improvement and maintenance of our prayer and reflection areas. These spaces are vital for promoting mindfulness among our students from all and no faiths.

Worship Council will also take an active role in leading both class and whole-school worships throughout the year, helping to strengthen our whole-school ethos.

Please follow the link to our school calendar where you will find further information on: clubs, swimming, trips, events and term dates.
