Troll Troubles

Dear Diary,

I love my little house underneath the bridge in the valley. I do get very grumpy though when I hear grubby, little goats trotting over the top of it when I am trying to sleep. Three goat brothers made a plan to cross my bridge the other day. They knew that the bashing of their hooves going across the bridge would make me cross. I went outside to tell them to be quiet. Then, the biggest goat pushed me with his horns and I fell off the bridge into the river. I was furious! I think I'm going to move house.

1. Why do you think the troll wants to move house?

2. Number these events from 1-3 to show the order in which they appear in the text.

- The troll decided to move house.
 The three goats made a plan.
 The biggest goat pushed the troll.

3. Where does the troll live?

4. Find and copy **two** adjectives in the text that mean the same as 'angry'.
