Year 6 Residential

On Wednesday, Year 6 embarked on their residential trip to London. We started the day by visiting 'The Wonderlab' in the Science museum where we had a fantastic time exploring all of the experiments and activities. A particular favourite was the slides along with the water drop camera! To continue the day, we got to see the beautiful sights of London from the ideal spot; the London Eye! After all of our exploring, children had a delicious pizza and pudding at Pizza Express followed by watching Wicked at the Apollo theatre. All of Year 6 represented St.Paul's beautifully by listening carefully to the performance and showing their round of applause! We finished our wonderful trip by visiting Harry Potter Studios where we had an exclusive creative workshop along with the opportunity to explore the full tour.

All members of staff felt incredibly proud of all of the children and their beautiful manners and listening skills demonstrated. Please go over to our Instagram to see snippets of the trip! @stpaulscofeprimaryschool

Here are some highlights from Year 6:

"My favourite part was the London Eye. I didn't realise how high it was and I could see so much of London"

"I enjoyed watching Wicked. The singing was amazing and everyone was cheering so loud"

"I liked the London eye because we got to go really high and I'd never been to London before"

"I enjoyed a lovely pizza and delicious piece of chocolate fudge cake!"
